CMS-Group Ltd under Administration

Dear Sir/Madam

We are pleased to confirm the purchase of the assets and container rental activities of CMS group by the TITAN Container group, Denmark. The sale is effective 17:10 21st August 2008.

TITAN Containers are no stranger in the U.K. market. TITAN Containers UK Ltd. has been a major player in the standard container market for many years. We have almost 20 years experience with temperature controlled (reefer) container rentals and own a significant and extremely modern fleet of these containers types currently operating in Denmark and elsewhere. Please visit our web portal www.TITANcontainers.co.uk for further details of the TITAN group.

The ex-CMS activities purchased will trade as ARCTICSTORE a division of TITAN. We expect that some of the personnel will be relocated to our UK offices in Enfield where they will join the existing team of Phil, Paul, Matt and Kath. We expect the new www.ArcticStore.co.uk to be active very soon. More information will be posted on the website in the coming days.

In the event of any problems with machinery please use the following number
