

To customer & suppliers

Åstorp & Taastrup 1<sup>st</sup> September 2011

We are pleased to inform that with effect 1<sup>st</sup> September 2011 Canons Park Containers AB container sales and rental activities have been acquired by TITAN Containers group, Taastrup, Denmark. The management of both companies considers that this will be to the significant advantage of both Canons Park and TITAN Containers customers in Sweden.

TITAN is no stranger to the Swedish containers having supplied services for more than 20 years in and around the Stockholm through its subsidiary T-TAINER AB.

TITAN Containers are one of the European market leaders in the container sale and rental market with an annual turnover in excess of SEK 250 million and container rental assets in excess of SEK 300 million. A wide range of new rental containers will be introduced into the Swedish market in the months ahead including our new sophisticated user friendly/low power refrigerated containers as shown to the right. **ArcticStore is an integrated division of TITAN Containers A/S**

Peter Thagesson has been appointed as Regional Manager Sweden with total responsibility for all TITAN business in Sweden. The current Canons Park staff will continue to service your requirements from the office in Åstorp.

Canons Park Containers AB take this opportunity to thank all its past and present customers and suppliers for their support over the years.

Peter Thagesson

The entire TITAN team welcomes you to TITAN Containers and look forward to serving you soon
